Winter Ready

Three things to always remember during the winter are **PLOW, SHOVEL & SALT**. Help us help you! Year after year we always have the one heavy snow storm that throws us all for a loop. We now have a service that can eliminate some of those winter trash headaches.

Does this look familiar?

New Winter Service: We will clear out all the trash, shovel out the snow and salt your enclosures for \$30 per enclosure.

Single Stream Recycling

With a successful start in the Salt Lake Valley we have expanded the service area and have moved into Tooele County. This service will help preserve our communities and help prevent our landfills from overflowing. Tooele County is off to a roaring start with most of the schools signing up for this service and many more businesses ready to jump on board.

We are very excited about this program, and we hope that you will enjoy it as well. There are multiple can sizes that you can use for the service. We have all dumpster container sizes as well as carts.

If interested please call:
